— Dedication —

We, the Class of 1976, dedicate this book to all those who have helped us to mold ourselves into the individuals we have become. You have given us unforgettable experiences and visions of our success. Hopefully, we gave you something in return for your belief in us, for you have made us worthwhile people with everything to offer the world we are about to enter, a world where each one of us must reach for the stars if we are to survive.

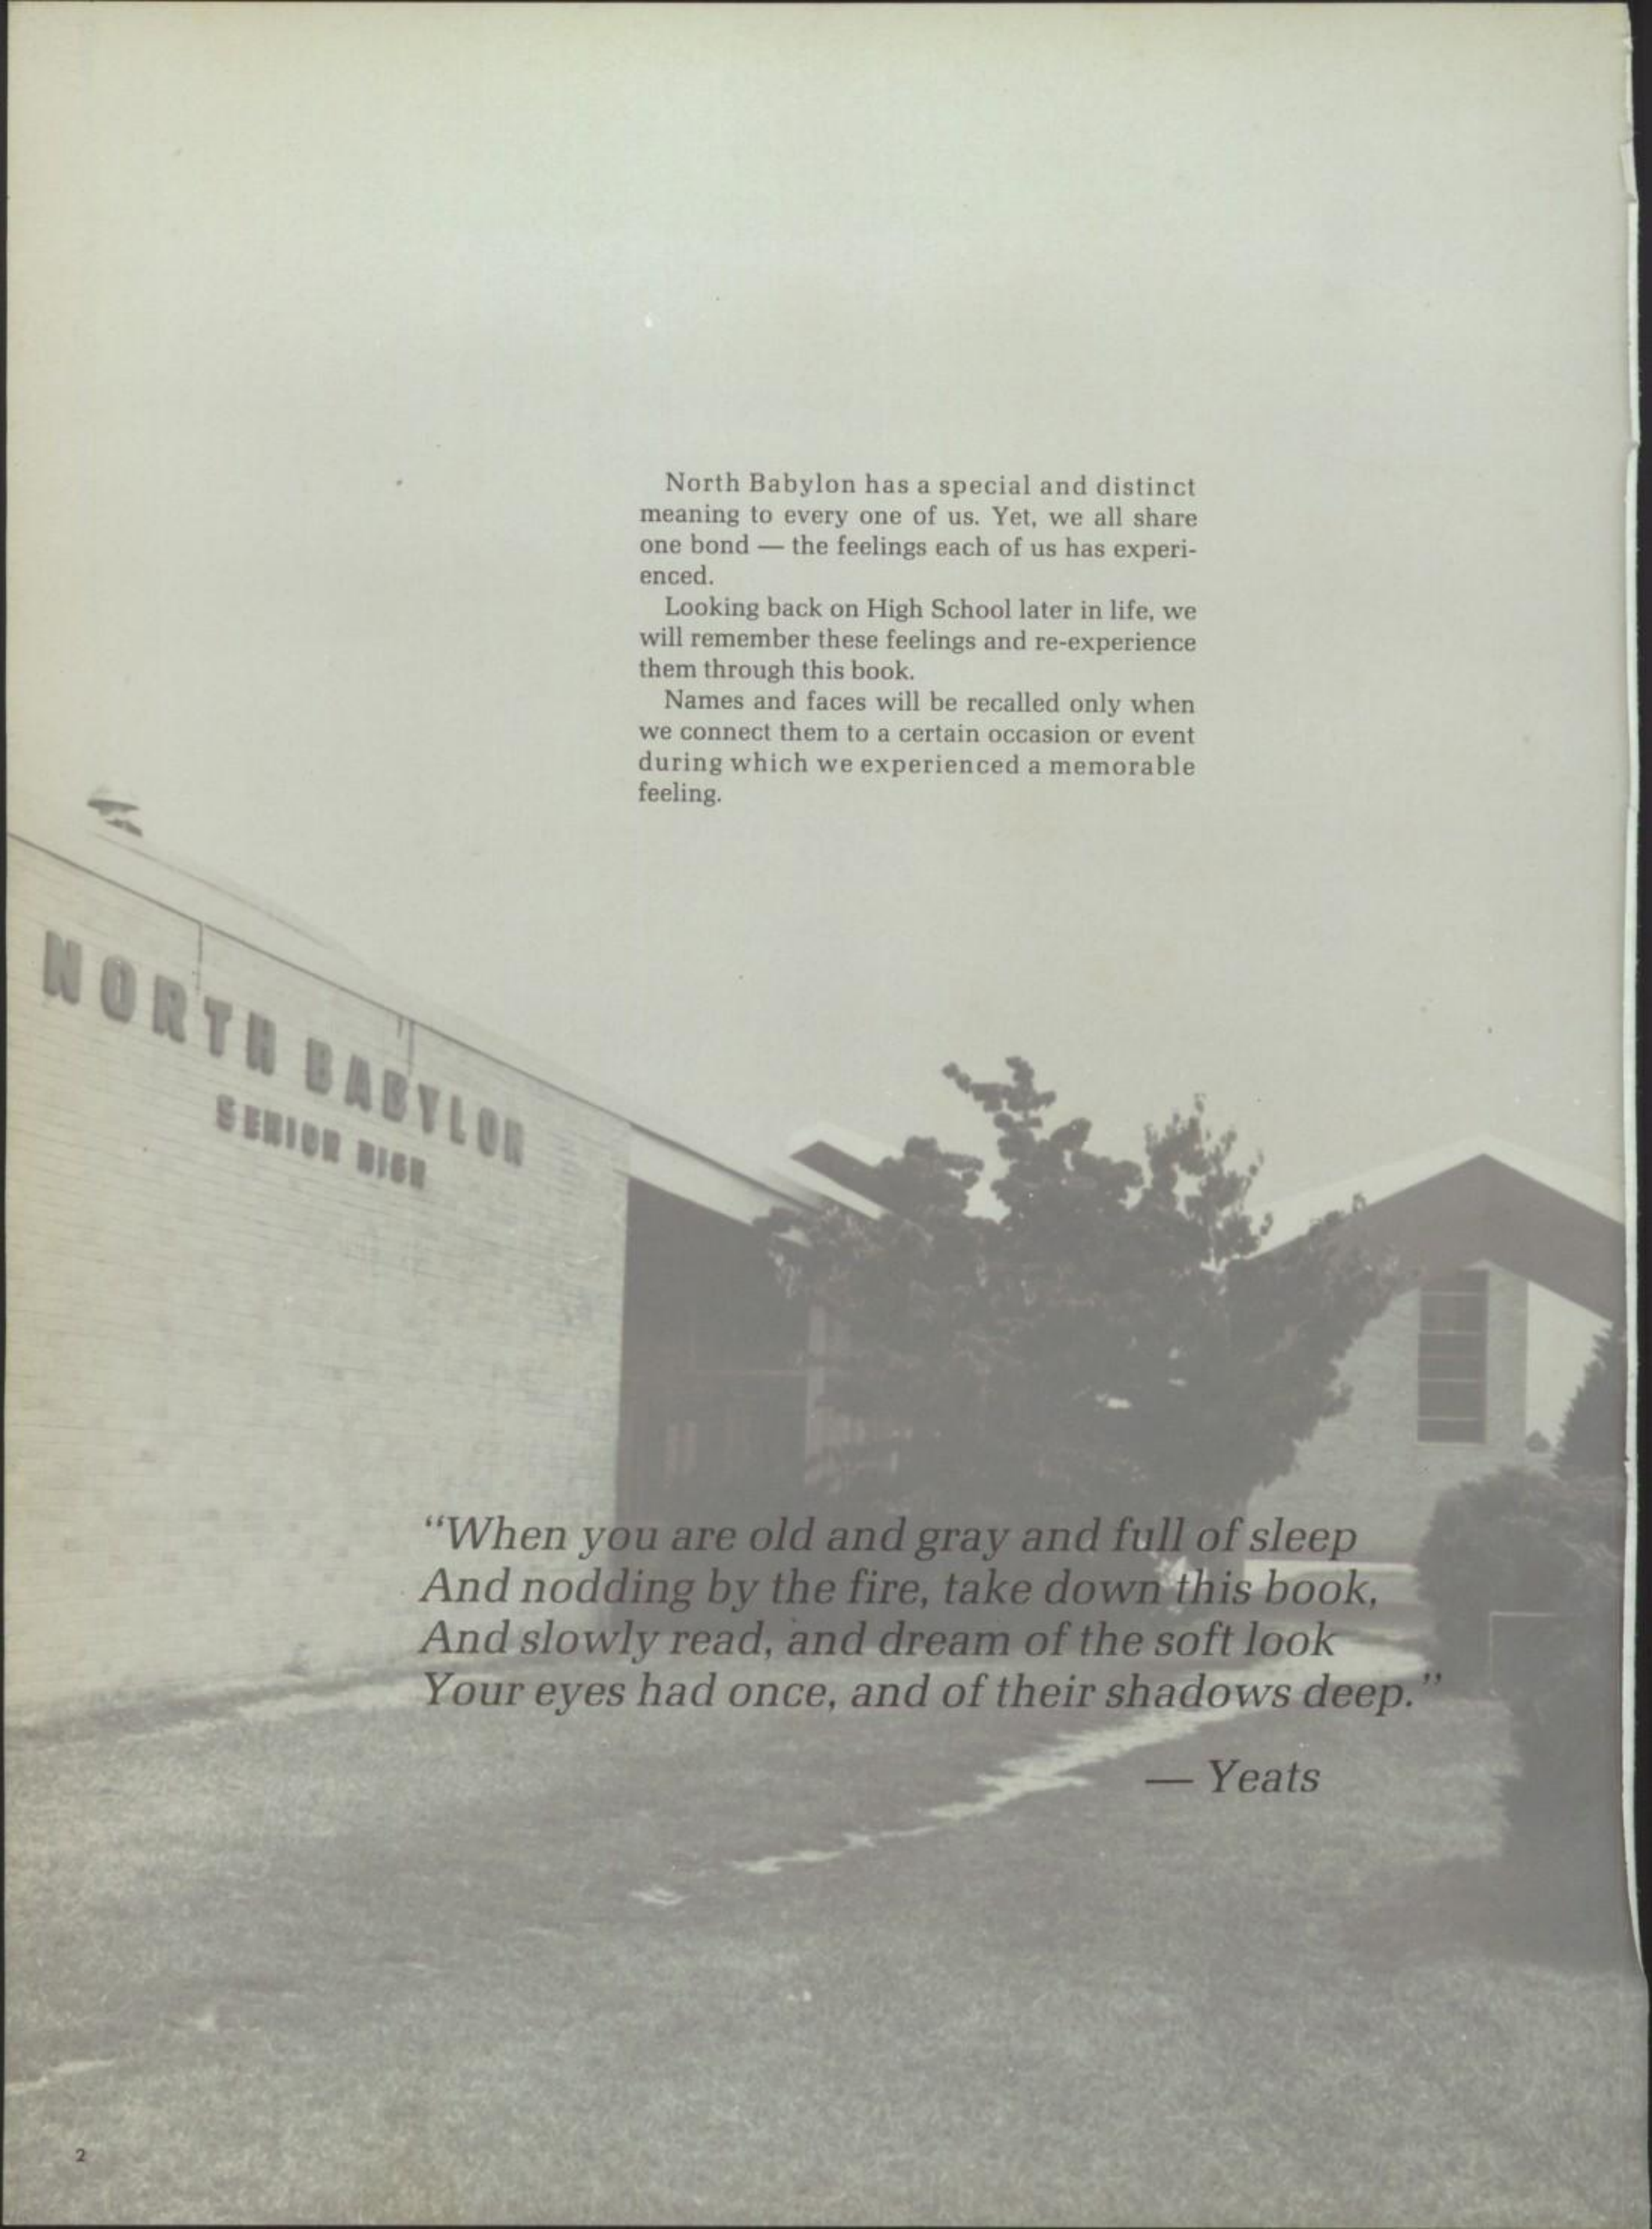
"Lives of great men all remind us
We can make our lives sublime
And departing, leave behind us
Footprints on the sands of time."

— Longfellow

North Babylon has a special and distinct meaning to every one of us. Yet, we all share one bond — the feelings each of us has experienced.

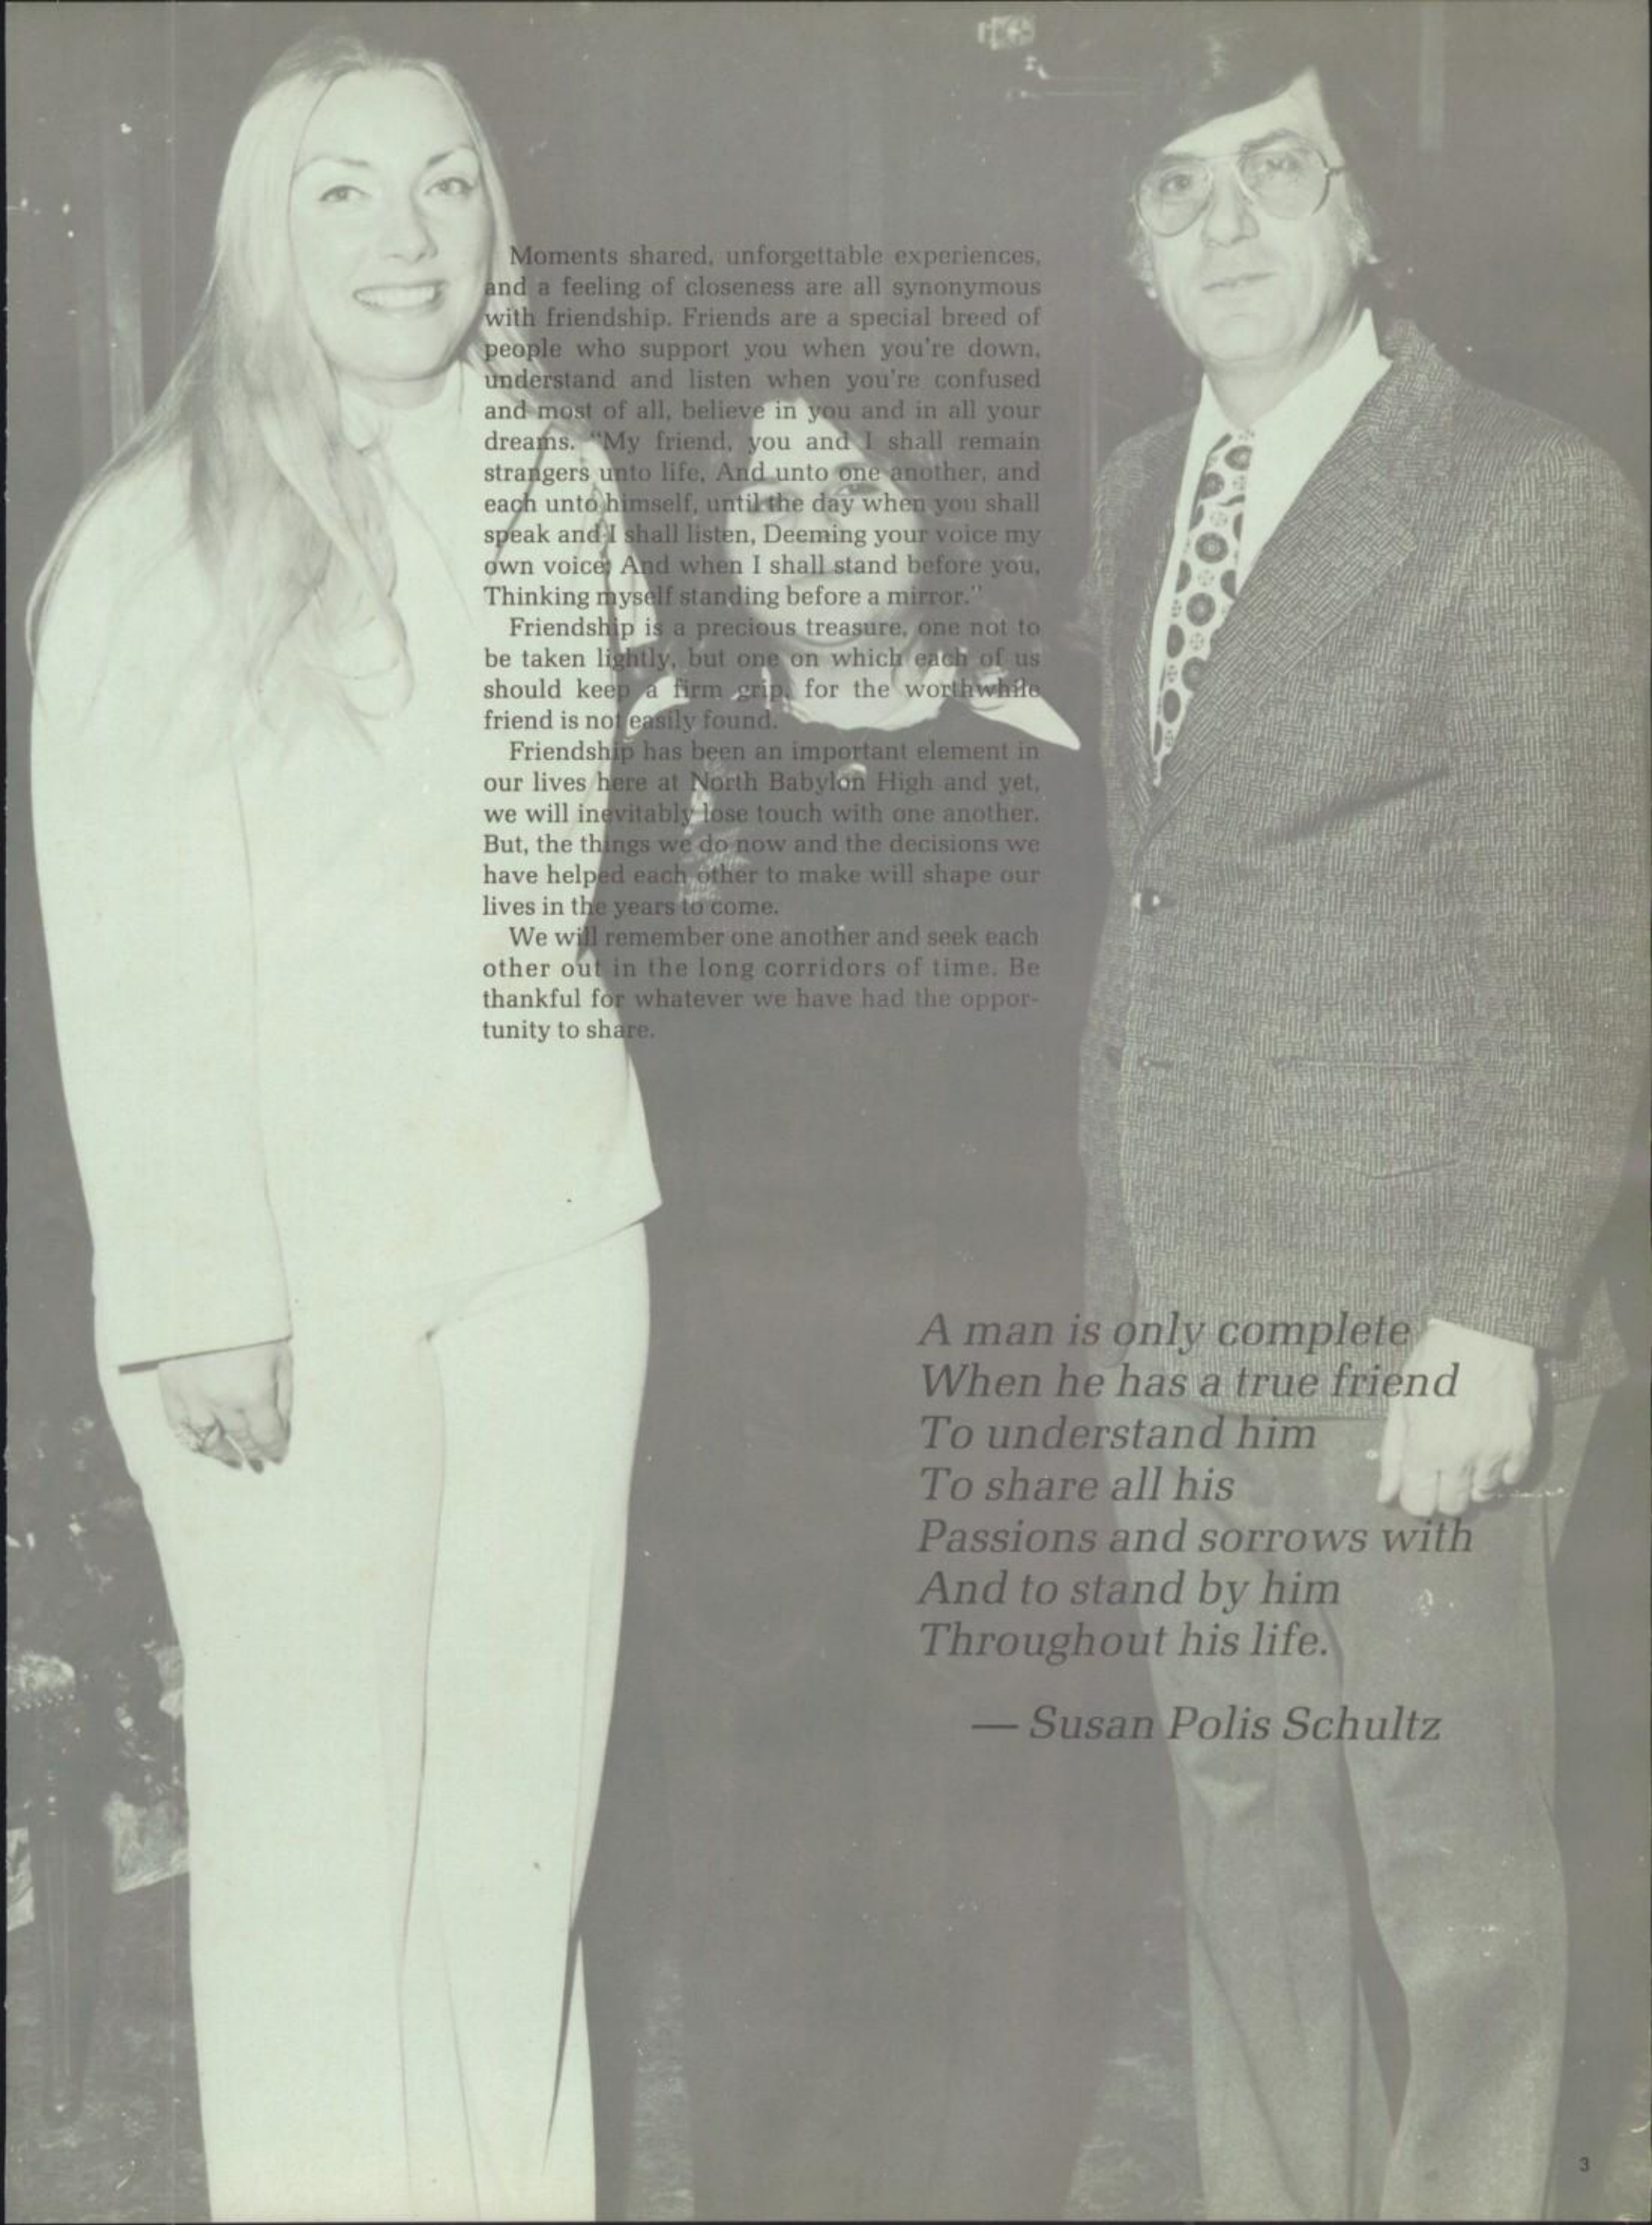
Looking back on High School later in life, we will remember these feelings and re-experience them through this book.

Names and faces will be recalled only when we connect them to a certain occasion or event during which we experienced a memorable feeling.



"When you are old and gray and full of sleep
And nodding by the fire, take down this book,
And slowly read, and dream of the soft look
Your eyes had once, and of their shadows deep."

— Yeats



Moments shared, unforgettable experiences, and a feeling of closeness are all synonymous with friendship. Friends are a special breed of people who support you when you're down, understand and listen when you're confused and most of all, believe in you and in all your dreams. "My friend, you and I shall remain strangers unto life, And unto one another, and each unto himself, until the day when you shall speak and I shall listen, Deeming your voice my own voice; And when I shall stand before you, Thinking myself standing before a mirror."

Friendship is a precious treasure, one not to be taken lightly, but one on which each of us should keep a firm grip, for the worthwhile friend is not easily found.

Friendship has been an important element in our lives here at North Babylon High and yet, we will inevitably lose touch with one another. But, the things we do now and the decisions we have helped each other to make will shape our lives in the years to come.

We will remember one another and seek each other out in the long corridors of time. Be thankful for whatever we have had the opportunity to share.

A man is only complete
When he has a true friend
To understand him
To share all his
Passions and sorrows with
And to stand by him
Throughout his life.

— Susan Polis Schultz

Loneliness is a feeling which knows no barriers. It attacks the human soul when it is most susceptible — that is, when it is unaware.

Solitude is especially hard to bear when in High School. Physical Solitude is one thing, it can be remedied by going out shopping or walking to the Library. Mental solitude, leading to depression is a feeling often experienced by each one of us, whether we be a football star or a class scholar.

The amiability of the Class of '76 has alleviated what otherwise might have been a very serious problem in all our lives. If each of us remembers this, and nurtures its growth, we will never have to experience the periods of loneliness that have been a part of the lives of so many others.

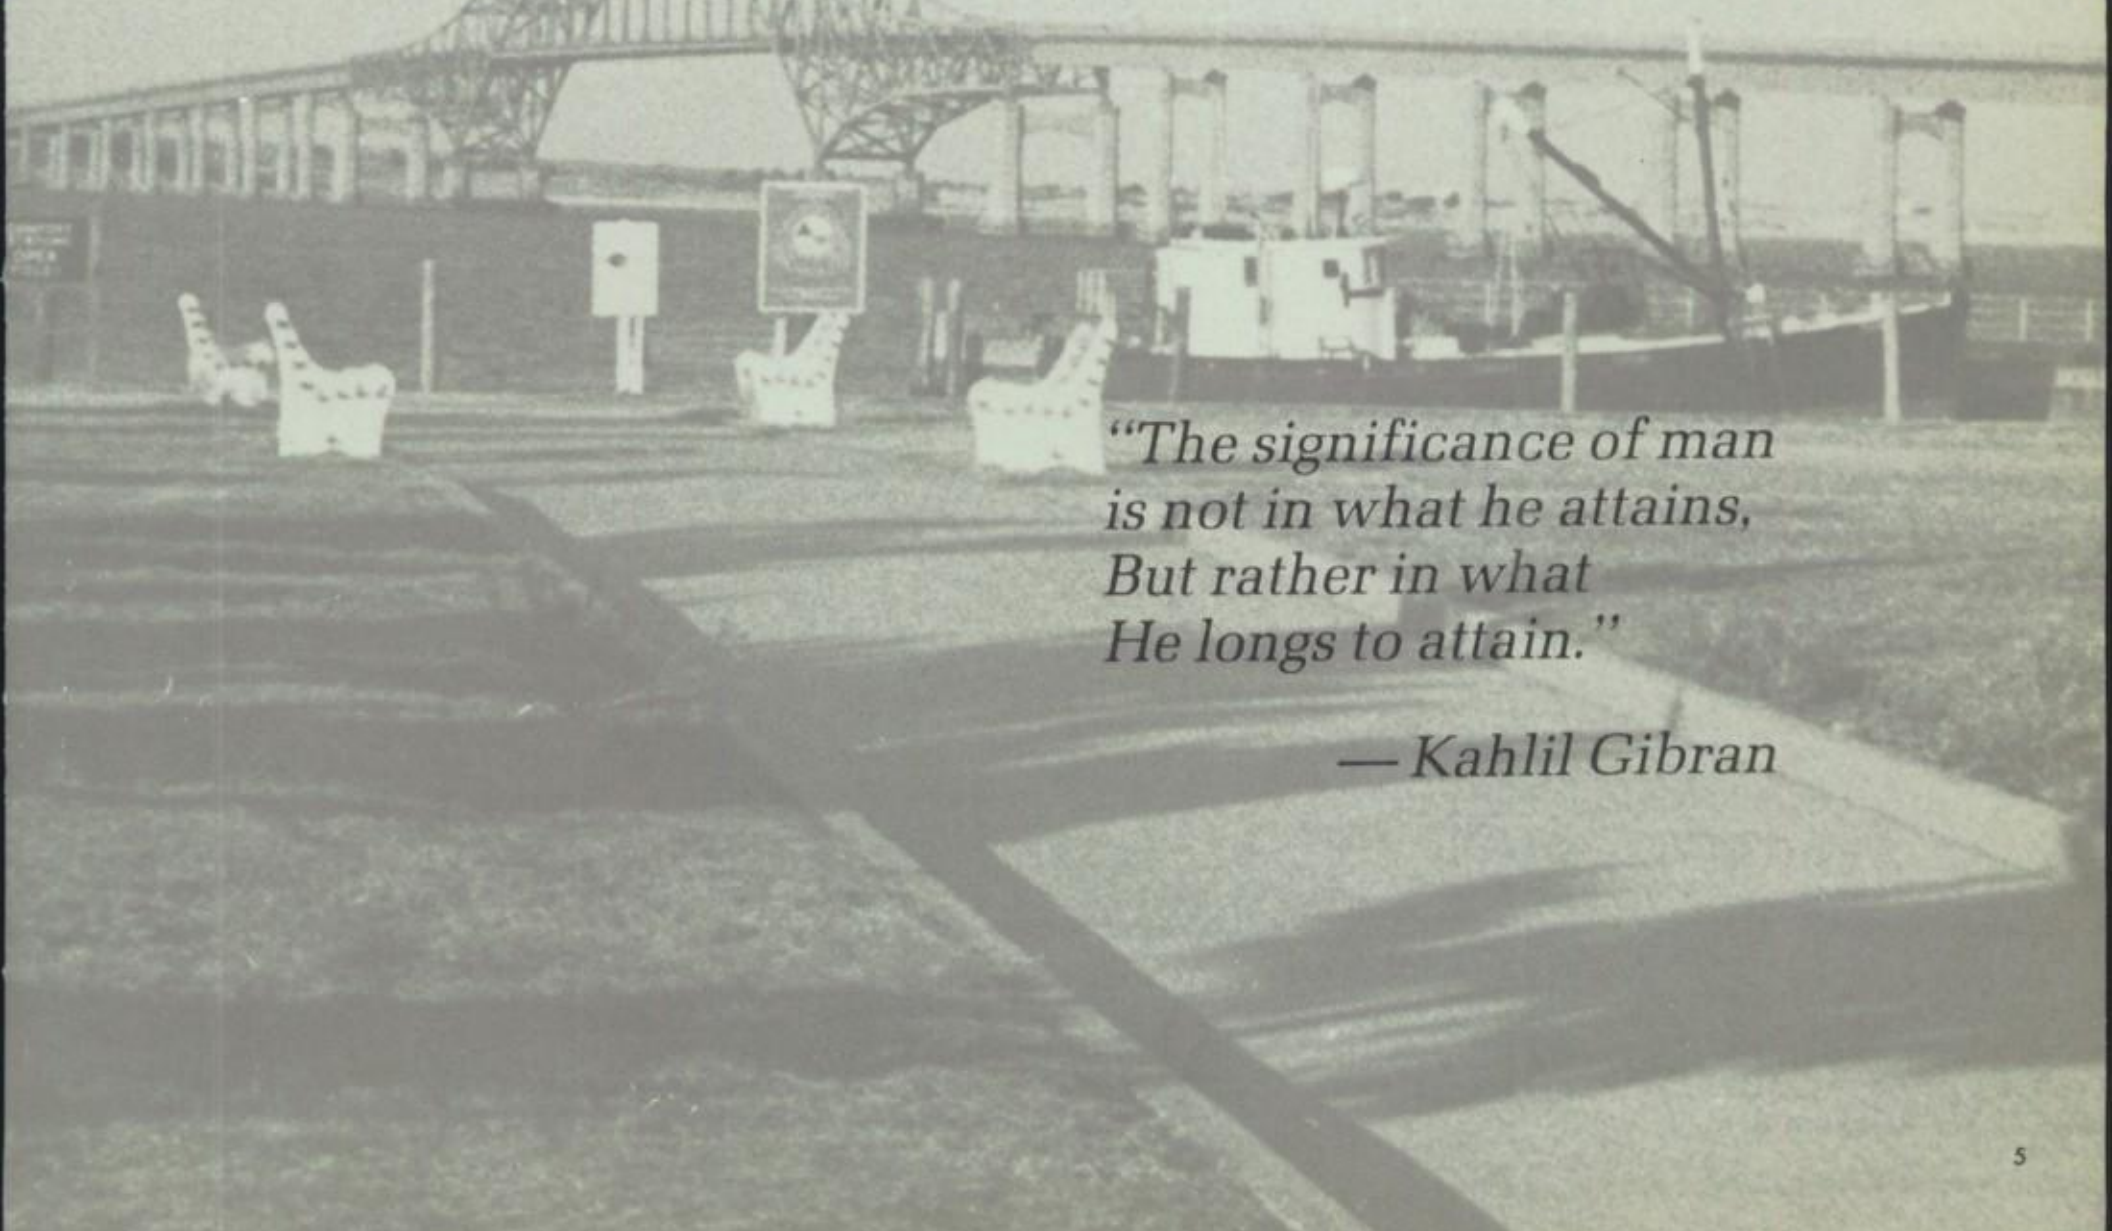
"They say to me in their awakening,"
"You and the world you live in are but a grain of sand upon an infinite shore of an infinite sea."
And in my dream I say to them, "I am the infinite sea, and all worlds are but grains of sand upon my shore."

— Kahlil Gibran

When we were younger, we all sang the familiar chant: "Rich man, poor man, beggar man, thief, doctor, lawyer, indian chief." We now are in the position to make this decision and it is a difficult, mind-bending one. Yet, it is a choice that we've looked forward to making for twelve years. Since that first eventful day when we set foot in a school room, we've worked for this year and its definitive ending — graduation.

Whether we ever achieve the goals we have set for ourselves remains to be seen. Chances are that if we keep our priorities straight and our thoughts clear, we will succeed. It may take longer than we are anticipating at this moment, for there are many things to detour us from our chosen paths. Often we will wonder if we have chosen correctly and hesitate before committing ourselves totally to our choice. Perhaps some of us are already wavering. Is College the right thing for me, or should I work for a year before starting school?

After all this, one thing remains certain; that is, that we've worked long and hard for the opportunities which await each one of us out in the world, and we're not about to blow it all now. We've learned the facts, have had them spoon-fed to us for twelve years — how well we can use them is what we're about to discover.



"The significance of man
is not in what he attains,
But rather in what
He longs to attain."

— Kahlil Gibran

Having completed High School, we are now supposedly "mature individuals." Hopefully, this should bring with it the realization that all of us are equal, that we have each reached the same plateau in life and that not one of us has the right to look down upon another.

Throughout our careers as students, each one of us has been guilty of ridicule, as well as being the subject of it.

Now we are leaving the safety school has provided and stepping out into today's social world. We must all know how to deal with many different types of people so as to make a life for ourselves. It would do us all well to remember that each individual out in that world has attained the same rights and privileges as ourselves, and that it is our responsibility to respect them, and treat them well.

"Only those beneath me can envy or hate me,
I have never been envied nor hated;
I am above no one.
Only those above me can praise or belittle me,
I have never been praised nor belittled;
I am below no one."

— Kahlil Gibran

SENIORS

Seated: Mr. Lavan, Ms. Stigi, Advisors. *Standing* (l. to r.): Dom Giglio, Vice President, George Schietinger, Treasurer, Mary Mongioi, President, Debbie DeCastro, Secretary.

Our Senior year has been the best of our lives — so far. There has been so much to do, from the Car Wash all the way up to Graduation; it's been one exciting year.

So much has preceded this final step in our High School life, and its culmination, the graduation ceremony is something we look forward to with joy as well as trepidation.

It's hard saying good-bye to one of the only worlds we've ever known. We can only hope it's not as difficult greeting the new one, whatever that may be. But, whether it be college or work, it won't be an easy period for any of us. There's only one thing that might help — and that is remembering that the Class of '76 has given us a firm background to depend upon and memories to hold close in both the hard times as well as the moments of joy.

Your Senior Class Officers,
Mary, Dom, Debbie, and George

An Open Letter to the Class of '76

Dear Seniors,

Three years have gone by — we've shared laughter and tears together. I thought I'd take this opportunity to say thank you to the Class of '76, for making these years together memorable and for letting me share your high school days.

It must have been in my stars — ever since *Mr. Novak*, (my generation's Gabe Kotter), I saw myself as a dedicated teacher. The rewards have made it all worthwhile and your class is part of the reason. I've tried to be an advisor, a teacher and most importantly a friend to all of you. You've made my job as advisor an absolute pleasure — one I don't want to give up. I've watched you mature into adults and you've helped me to mature into a confident teacher. I'm losing more than just students, I'm losing friends. The reality is that for me there will be more students and even more classes to advise. For you there will be other teachers and professors. I have a feeling that even though time may come between us, we will always remember the Class of '76 as something very special.

Let's take a final look back together:

We began with the Sophomore float and there Belmont met Moses. Friends were made and I was initiated as adviser. It seems so long ago.

The infamous light bulb sale helped us spring into financial insecurity.

Remember the Sophomore Show — "West Wing Story?" It was fun being able to laugh at ourselves. I'll never forget Percy Sachet and Lupi the plant or Cleo in my blonde wig. Stars were born and the Class began to work as a whole. It helped supply us with the money for a winning Junior Float.

The thrill of victory was ours for a year. Now I can finally say it — "Who ever heard of a bright red horse?" I never thought Mr. Sollo would be freed from that truck. What a fantastic day — I shared in your glory — I thank you for that.

The first Junior Class Car Wash in *February* — whose idea was it? We've been known for having quite a few firsts here at N.B., but this was definitely one of the craziest. But like everything else we did together, it was a lot of fun.

The Junior Class Spaghetti dinner — what a night! Too bad we ate all the profits.

The Junior Prom — "Where's Cerreta?" "I could have danced all night" if only the band knew the words. Next time everyone please remember to bring a bottle opener. This was John's big night — I wonder if he ever found time to enjoy it. Thanks gang, for a great Junior Prom.

I'd also like to belatedly thank the Class of '75 for inviting me and my lepers on the Senior Trip last year. It definitely improved my tennis game.

We started this Senior Year with a new father figure to rely on. I'll never forget Mr. Lavan's Uncle Sam or his Benjamin Franklin. He certainly deserves our thanks for being such a good sport, and for helping make our Senior Year great.

All of the Senior Events made me proud of my Class, and a little sad. Since the Senior Car Wash, I've been thinking about this moment when we'd have to say good-bye. I want you know that a part of me is leaving with you. When I taught tenth grade three years ago, we did a poem called "The Teacher" by Erica Jong.

She's gone now
Nothing remains but a page of print
She's past our helping
Perhaps she's part of her students (don't ask how).

It amused my classes to think that a teacher was devoured by her pupils and that she was no longer there. We came to the conclusion that since she was digested by her pupils, she therefore lived on through them. Perhaps sometime in the future you will think of the ideals I have tried to feed you. Always remember how important *you* are to this universe and to respect one another for we are all part of the family of man (and woman).

It would be impossible for me to thank all the Seniors who have helped spread the Spirit of '76 throughout our Class. You all know who you are, and from the bottom of my heart I thank you (Mary, I promise we'll get to play tennis yet).

I'd like to leave you with this thought, when you've got the feeling that no one really cares — remember the Spirit of '76 Lives Now and Forever — come back and visit. I wish you all success, happiness, and love throughout your lives.

Much Love,

Olga Stigi

Senior

It is difficult to describe the greatest night a class has ever had, in this case, the Senior Dinner.

The Watermill Inn has to be one of the most beautiful places on Long Island, and it certainly helped the Class of '76 have a wonderful experience.

The food and services were great, the people friendly and the atmosphere warm and congenial.

Since a picture is worth a thousand words, one can see just by looking at the pictures that "Disciple" was the best band the Class of '76 has ever chosen. The dance floor was always full to capacity and everyone was just relaxing and having a good time.

The reading of the Senior Will and announcing of the Polls and Favorites was the climax of the night. Perhaps the only occurrence that stirred more excitement was "Our Favorite Male Singer" Jeff Russell. Jeff, unanimously elected, gave us his rendition of "Mack the Knife," his theme song. I don't think anyone who attended will ever forget that memorable moment in N.B. History.

The Class of '76 has the great gift of spirit, and it showed it in all its glory the night of the Senior Dinner.

Dinner

MACK THE KNIFE

Oh that shark babe,
Has such teeth dear,
And it shows them pearly white
Just a Jacknife has old Mackeath dear,
And he keeps it out of sight.
You know when that shark bites,
With his teeth near
Scarlet bellows start to spread,
Fancy gloves though has old Mackeath dear.
So there's never, never a trace of blood . . .

On the sidewalk, Oh Sunday Morning,
Don't you know, lies a body,
Just oozing life,
And someone's sneaking round the corner
Could that someone be Mack the Knife?
Oh say Ginny Tava,
Woe Sulery Towart,
Look out for Miss Lolly Linger,
and old Lucy Brown,
Oh that line forms on the right babe.
Now that Mack is back in town.

Senior Day

The Class of '76 will go down in North Babylon history as one of the best N.B.'s ever had. We have originated many things — from a bright red horse to a car wash in *February.*

This year, we came up with something really new: Costume Day. The theme was Broadway and the three shows chosen spanned three eras of time. The shows were: *1776, Chicago* (1920's), and *Grease* (1950's).

We had characters ranging from Betsy Ross to Fonzi and back to a gangster's girlfriend, complete with pointed toe shoes. We even had a tea bag — in the form of Karen Tait. Our advisors also got into the picture, with Mrs. Stigi and Mr. Lavan coming dressed as Betsy Ross and Ben Franklin. Everyone enjoyed it, and a special thanks goes to our judges — without them we couldn't have had such a successful day.

Hey Ben, go fly a kite. Hey Betsy, go knit a pair of underwear.

Washington was never like this.

EHHHH!

Yeah, right!

A precision instrument.

Would you look at that!

Oh, for heaven's sake, if he misses, I'll scream.

A motley crew.

Striving for a high in life.

Basketball

No competition.

Look! Up in the sky . . .

Fair play and determination.

Believe me I don't have the ball. See!

When I was twelve, I was this tall!

I'll scratch your eyes out!

Junior

Our Junior Prom exceeded all our expectations and dreams. Everything from the ceiling, which took eight hours to complete, to the arrangement of the tables, was perfect. Nothing could have emulated spring better than "A Touch of April."

Remember the band? Too bad they didn't remember the words to "Your Song." But, we laughed and sang along.

The Junior Prom — it left us with memories and many fulfilled dreams.

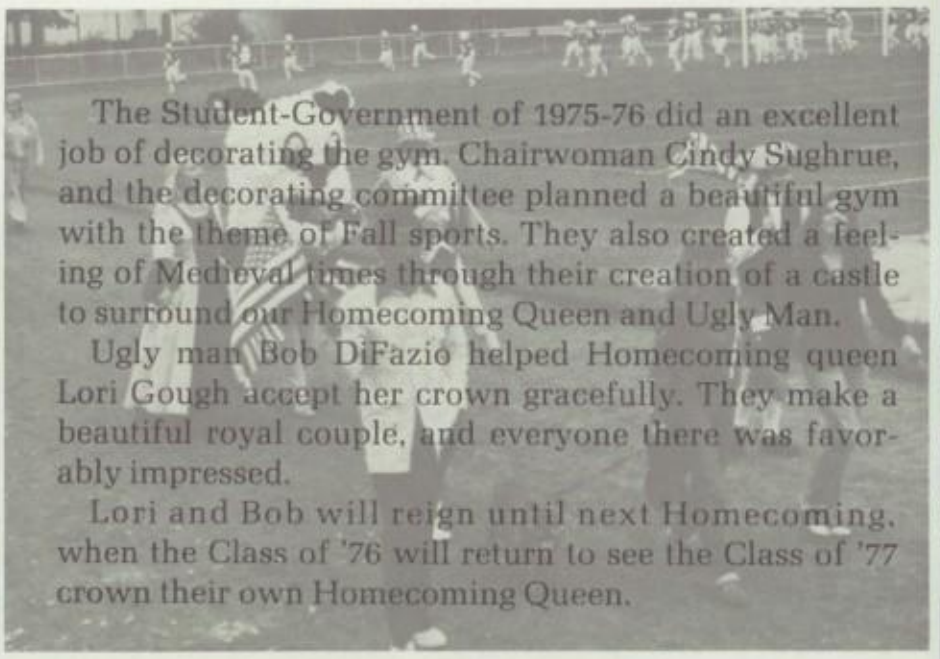
Homecoming '75

Flowers make me sneeze.

BINGO! BINGO!



The Student-Government of 1975-76 did an excellent job of decorating the gym. Chairwoman Cindy Sughrue, and the decorating committee planned a beautiful gym with the theme of Fall sports. They also created a feeling of Medieval times through their creation of a castle to surround our Homecoming Queen and Ugly Man.

Ugly man Bob DiFazio helped Homecoming queen Lori Gough accept her crown gracefully. They make a beautiful royal couple, and everyone there was favorably impressed.

Lori and Bob will reign until next Homecoming, when the Class of '76 will return to see the Class of '77 crown their own Homecoming Queen.

Do you think this will fit Mr. Lavan?

"Just pretend you're excited."

"Mama Mia! That's a spicy meata ball."

And now, introducing Jeff Russell.

ORGANIZATIONS

DECA

This year the North Babylon chapter of the Distributive Education Club of America has received recognition throughout Suffolk County and NY state.

This organization, better known as DECA, is a program that has long been recognized as the leading work experience training program in most High Schools in Suffolk County.

A student must sign up for a Distributive course, or an advertising course in which he or she learns how to survive in today's business world, together with experiences in and out of the classroom.

Some of the activities of DECA involve field trips to many different places such as business luncheons and dinners, working with older people in homes, bringing baskets of cheer to hospitals, contests, leadership conferences, school activities, and many leadership activities.

Many former DECA members, who have experienced this club, have achieved notable success in higher education, marketing, and industry; the core of today's business world.

For 1975-1976 school year, special recognition was received by two North Babylon students who were elected to Suffolk County positions. These students were Barbara Smith and Tom DelloIacono.

DECA had its Suffolk County contest on January 15 at Suffolk Community College and seven North Babylon students took first place and two students took third place in their special category. Each first place winner got to take an award home with them as their commendation for winning. The first place winners are eligible to go to the Concord Hotel in March, for another competition.

All these members who were active in the club will never forget what DECA has done for them.

North Babylon Senior High School has been a part of our lives for three years and many of us, in those three years have learned and experienced many things. Now it is time to leave N.B. and journey into the outside world. Graduation is a big step in our lives. It is the time of our lives when we must leave the security of our school and our homes and enter a world which is turbulent and competitive.

For some, school has been enjoyable, and for others, not so enjoyable. But now, we the class of 1976 are leaving our secure High School life and entering a world to which we must adapt and promote ourselves into becoming adults.

Many times in the future we will look back upon our school days and remember all of the good times and all of the bad times, and all of the things that school has contributed to us; in the making of a more mature, and independent individual. Many of us will use this knowledge that we have attained in the classroom and also the experiences we have had, in our future endeavors. This is the main objective of school: to learn the fundamentals, and to prepare ourselves for the future.

The Student Government of 1975-1976 wishes every Graduating Senior: Health, Happiness and Good Fortune in the years to come. Always remember the "Spirited" Class of 1976.

Your Student Government Officers, John Billias, President; Debbie Peterson, Vice-President; Sue Cathcart, Secretary; Lou Simeone, Treasurer.

Pilgrim State

For the past eleven years, our high school seniors have participated in a cooperative work-study program at Pilgrim Psychiatric Center. Originally started under a Hospital Staff Development Program Grant from the U.S. Dept. of Health, Ed. and Welfare, the Pilot Project has involved 450 students in the delivery of care and has proved to be a valuable means of recruiting health workers. The opportunities offered by the program have expanded through the years from the original training of just a Ward Clerk. At present, areas opened to student participation include Ward Aide, as well as Physiotherapy, Recreational and Occupational Therapy, Building Clerk, Laboratory x-ray, E.K.G. Aides, Business Office and Maintenance Department. New opportunities are opened to different areas as students express an interest in them, and when arrangements in that department are possible.

Although the Federal Grant expired at the end of the 1971 and 72 term, seventeen students participated in 1971-72 class on a voluntary basis. In 1973 the grant was reinstated and we had 25 students work with them. However, due to the cutback in the mental-hygiene budget we are back on a voluntary basis. I would like on behalf of the patients and project supervisor at Pilgrim to offer a special thanks and praise to the young people for their dedication to this program. They have shown by extending themselves that the experiences gained are worth the efforts they have encountered.

DON'T QUIT

When things go wrong as they sometimes will,
When the road you're trudging seems uphill,
When the funds are low and the debits are high,
And you want to smile but you have to sigh,
When care is pressing you down a bit —
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
Don't give up though the pace is slow —
You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.

Success is failture turned inside out —
The silver tint of the clouds of doubt,
And you can never tell how close you are
It may be near when it seems afar;
So stick to the fight when you're hardest hit, —
It's when things seem worst that you mustn't quit.

Varsity Coach
Ms. Smith

Under the coaching of Miss Smith, the tennis team completed a fine season. Though the team wasn't as successful as the year before, a great effort was put in by Kathy Seigfried, Cathy Schneider, Barbara MacDonald, Cheryl Myers, Lori Gough and Anita Laico. Best of luck in your future competition!

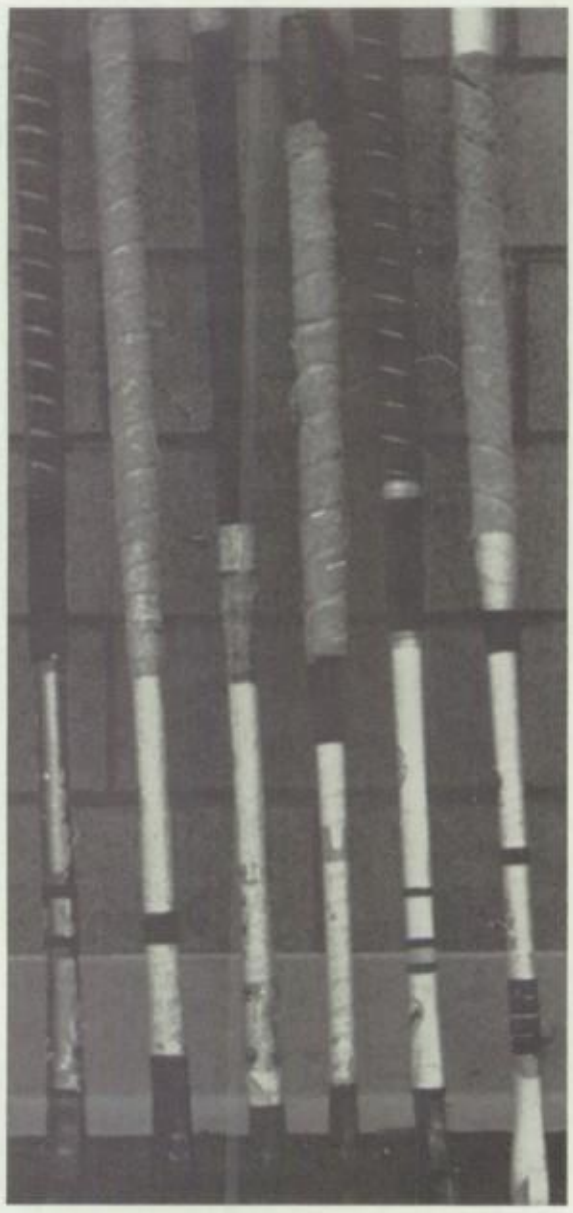
Field Hockey

How can we lose by 3/10 of a second!



At the ready.

Good Fake

To carry on the tradition, N.B. Girls' Field Hockey team earned the League 3 Banner for the third consecutive year. In the last three years, N.B. has won 27 games and lost one This year's offense scored 29 goals and the defense had 10 shutouts, allowing only 3 goals to be scored. N.B. had a league record of 9-1, and an overall record of 10-1-2. All of this couldn't have been possible without the excellent coaching of Miss Mullin. Congratulations to Coach Mullin, Captain Roseann Parrotta, MVP Lynda Reeves and the entire Field Hockey team.

The Girls' Volleyball team had a successful season, placing third in League 3. Coach Cross led the team to a 5-5 season, as they were only defeated by a slight margin. The girls practiced hard, and had a lot of spirit and the love of competition. These are both necessary for a team to succeed and that is something our team does.

VARSITY COACH MS. ZERANTI

The Girls' Softball team, coached by Ms. Zeranti, had a very enjoyable and worthwhile season. Seniors Anita Laico, Lynda Reeves, Joann Berwind, Janet Heichert, Terry Filippone, Amalia Manfredi, Patty Meyer, and Eileen Thomas were major contributors to both the team's spirit and success.

Softball, a popular sport, is one that the girls enjoy very much and through their participation, they have perpetuated this sport into a very competitive one which attracts a great number of spectators who obviously enjoy the girls great competitive spirit and sportsmanship.

Good Luck to the teams in the future seasons!

Terri White's skill in the high jump led her to the state meet. Sandy Owens placed seventh in the state hurdles and holds the school record in the long jump. Margaret Brookes placed second in the shot put. Roseann Parrotta, Susan Cathcart, and Carol Curcio are the middle distance runners, as Ellyn Vann runs the 220. This is a year of rebuilding for the 75-76 gymnastics team. But, with determination and practice, the girls are doing a superb job.

Returning seniors Candy Petersen, Roseann Parrotta and Karen Thompson lead the young team. Candy competes on the horse and in floor ex, as Karen shows her skill on the beam, and Roseann performs on the uneven parallel bars.

Without doubt, the coaching of gymnast Terry Mula has made it a very successful season.

Girls' Basketball

The 75-76 Basketball team has a great chance to win the League III banner. This year's team is unique in that all fifteen players are capable of starting. The team has the height, defense and shooting ability to be number one. With the great coaching of Ms. Mullin, N.B. will go all the way!

Wrestling

J.V. Coach Mr. Halleran
Varsity Coach Mr. Lassen

The North Babylon Wrestling team had a very good season, considering it runs in a very rough league. All the teams that they met were strong; there were no weak teams in the league this season. It ended with a improved dual meet record of 7-6, and remained the same in league I meets, with a record of 2-4.

The team had very great spirit this season, in every meet that they competed, they went in to win. This spirit is very important in Wrestling, because the members of the team must really be together. This helps to inspire the members and helps them psychologically to win.

Some outstanding Senior wrestlers were: Dom Giglio, Bill Angelos, Brian McKenna, Ed Bellitieri, and two Sophomores, Mike Mongioi and Chris Giunta. All are possible conference place winners. The team looks for a very rewarding season again next year.

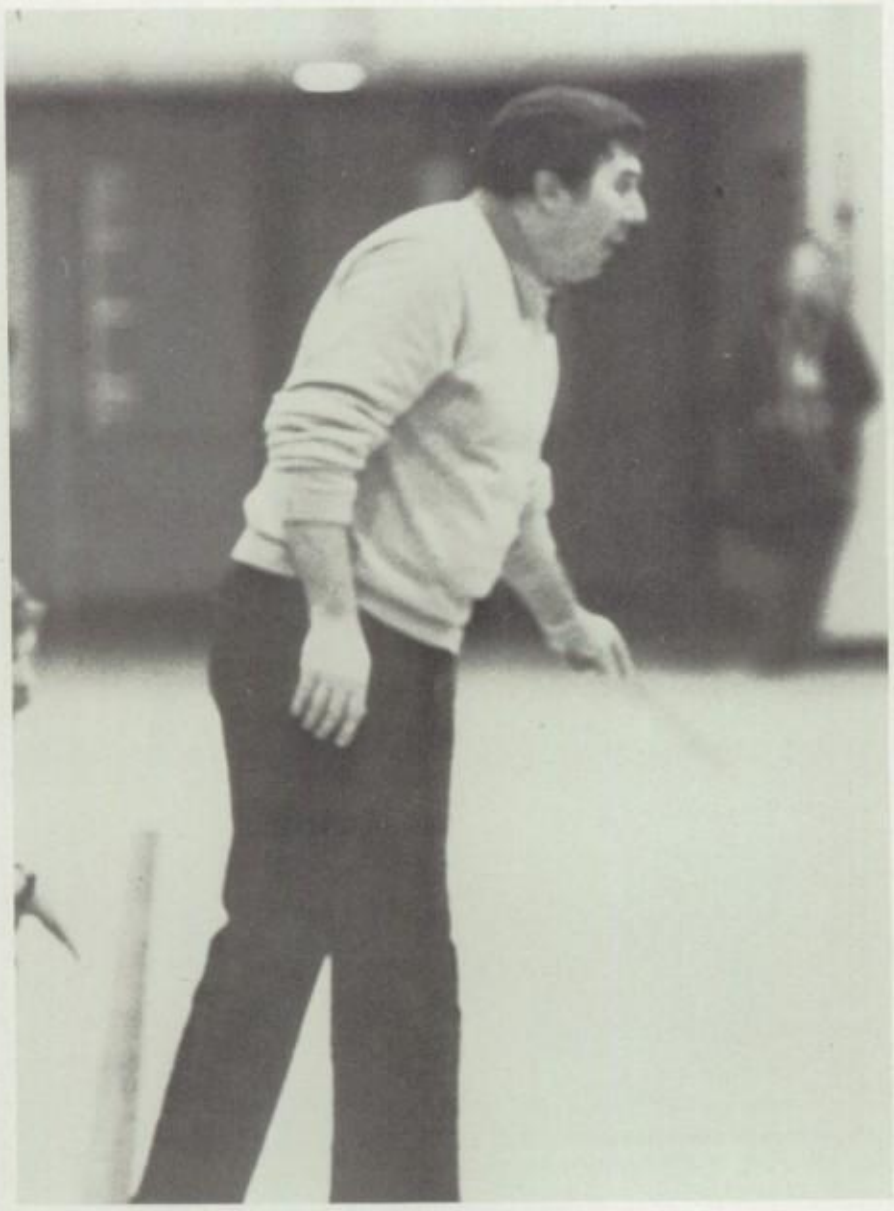
Basketball



VARSITY COACH CAVALIERI

Coach Cavalieri was absolutely elated with the accomplishments of the 1976 Varsity Basketball team. At the time of this publication, our basketball team was coming off a tremendous win over Miller Place (113-64) in the playoffs for the 1976 County Championship in which our team scored the highest number of points (113) in our school's history and Suffolk County playoff history with every suited member of the team scoring.

At publication time, the prospects were very likely that we would again meet Babylon in the Suffolk County playoffs. Since Babylon was our only loss (in a 15-1 overall season record) this would prove to be a tremendous crowd-pleasing game.

Several super accomplishments were achieved by our all-star 1976 team, among which were: Best overall record (15-1); Best League record (10-0); the first time a school was undefeated in League play; the entire starting team were selected as members of the Suffolk County All-Star team. Also at printing time, our team had three All-county nominees in Stanley Wilcox, Roger Cyrus, and Kevin Hamilton.

North Babylon Cagers Capture League Championship

Concluding its season with an epic contest in the Nassau Coliseium, League Coach-of-the-year, Mike Cavaliere's skilled, spirited and courageous charges narrowly lost 80-72 against Babylon for the Suffolk County Championship. The record shattering team pictured here entered the county match with an 18-1 record and already possessor of its own league championship. Pictured here are those responsible for the record: #21, Stanley Wilcox; #45 Ricardo Pigatti; #11, Russell Lewis; #25 Rubin Lewis; #31 Kevin Hamilton; #35 Bob Meyer; Manager George Digsby; #23 Mike Kennedy; #41 Alfred Wickliffe; #15 Roger Cyrus; #5 Andre Randall; and #3 Phil Alessi. The golf team provides an opportunity for students to improve their skills in one of America's most popular sports and also to learn to compete with players from other schools of comparable abilities. This year's team appears to be one of N.B.'s better teams, with four returning letter winners from last year. Dave Beitter and Kevin Lyons, both seniors, return as two of Suffolk County's finest high school players, along with Charlie Rettinger and Bob Martin, who made valuable contributions to the team last year. In addition, four strong players from last year's J.V. team: Bill Wanke, Chris White, Phil Alessi, and Mike Scalice, also return. They are expected to add strength to this year's team. In all, the golf team, coached by Mr. Bruce Long, expects to have a successful season this year.

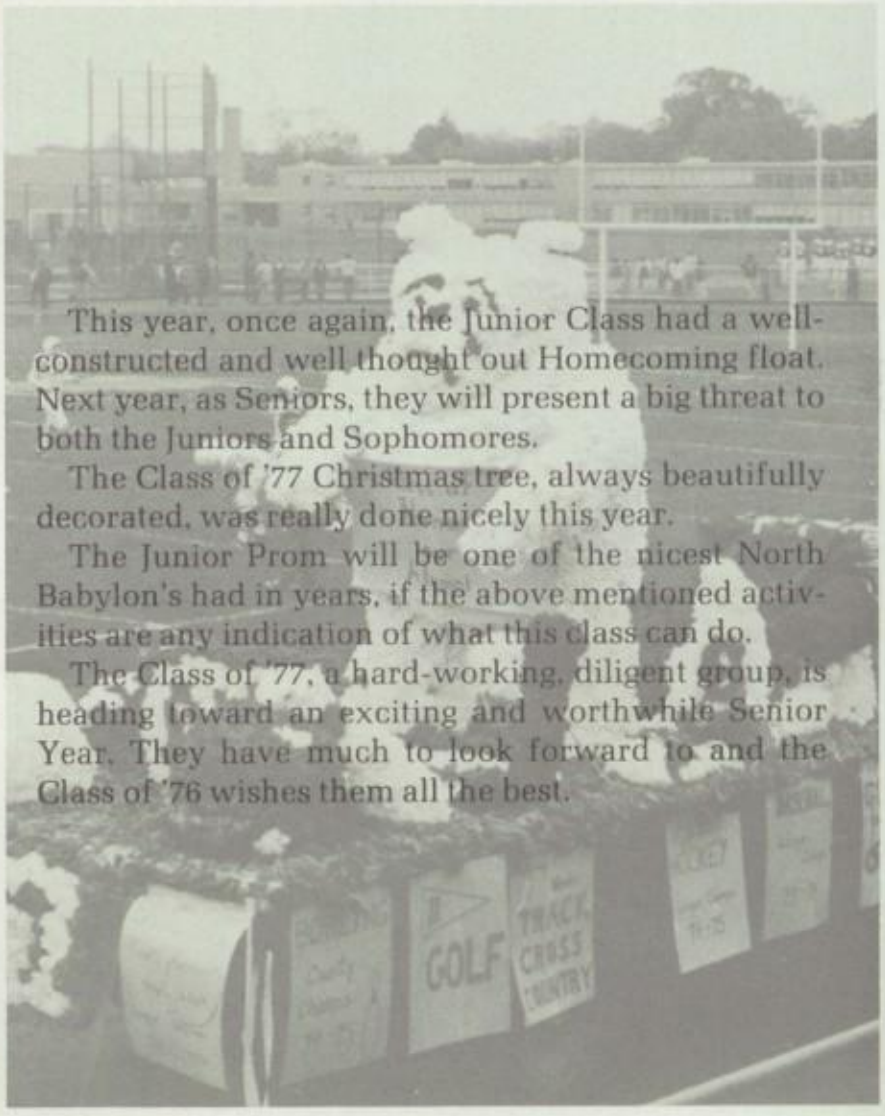
JUNIOR CLASS OFFICERS: (l. to r.): Thomas Milligan, Treasurer, Dawn Brooks, Vice President, Michele Henesy, Secretary, Cathy Alimena, President.

Mrs. Carol Rosenberg, Advisor



This year, once again, the Junior Class had a well-constructed and well thought out Homecoming float. Next year, as Seniors, they will present a big threat to both the Juniors and Sophomores.

The Class of '77 Christmas tree, always beautifully decorated, was really done nicely this year.

The Junior Prom will be one of the nicest North Babylon's had in years, if the above mentioned activities are any indication of what this class can do.

The Class of '77, a hard-working, diligent group, is heading toward an exciting and worthwhile Senior Year. They have much to look forward to and the Class of '76 wishes them all the best.

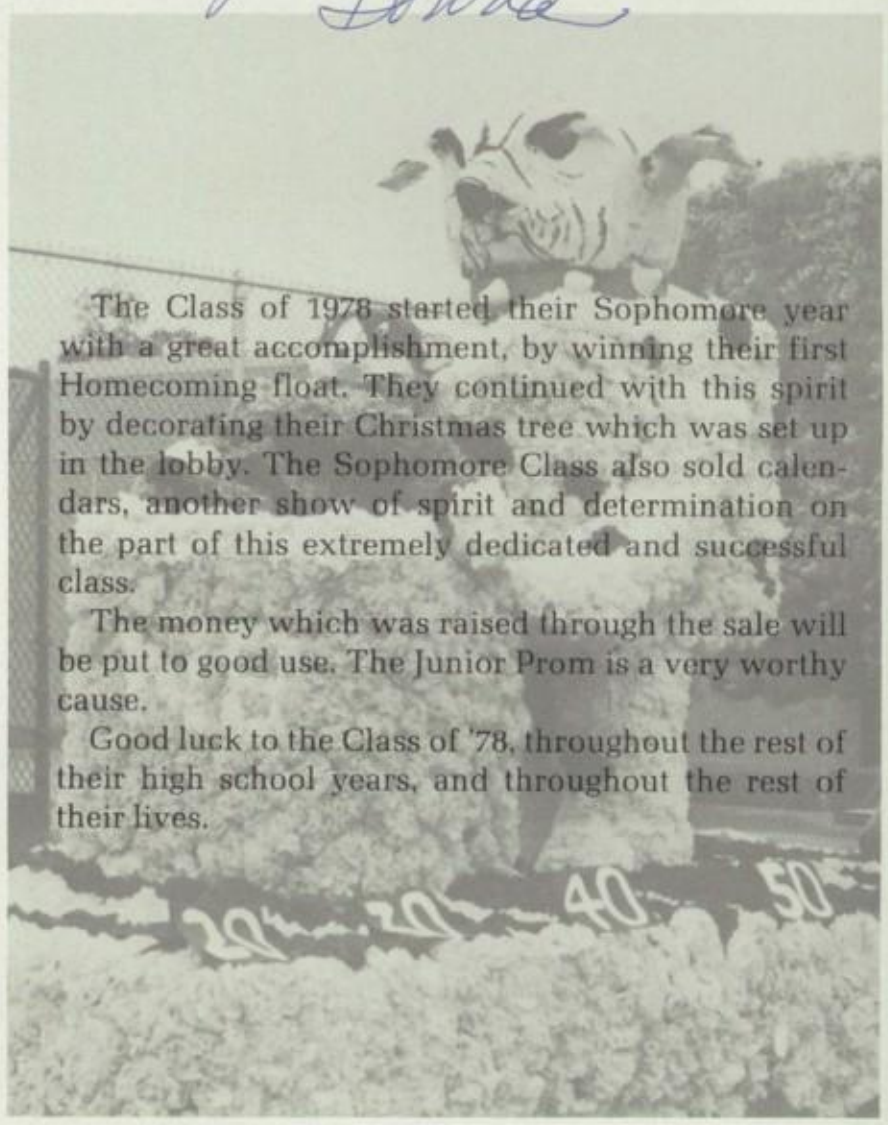
Mr. Scott Harris, Advisor



The Class of 1978 started their Sophomore year with a great accomplishment, by winning their first Homecoming float. They continued with this spirit by decorating their Christmas tree which was set up in the lobby. The Sophomore Class also sold calendars, another show of spirit and determination on the part of this extremely dedicated and successful class.

The money which was raised through the sale will be put to good use. The Junior Prom is a very worthy cause.

Good luck to the Class of '78, throughout the rest of their high school years, and throughout the rest of their lives.

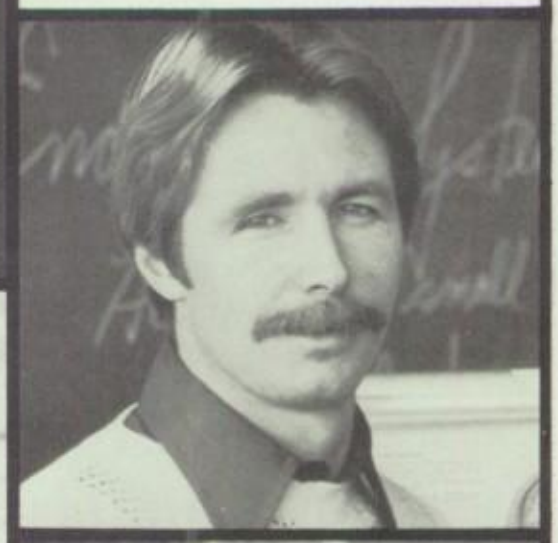
Faculty



This book is an attempt upon the part of you and your classmates to capsulize the three years that you have just completed. These three years were probably, at times, trying and frustrating. There were probably times of joy and success. Hopefully, some day in the future, you can look at this book and remember the joys and successes and, hopefully, you will remember all of us who have attempted to help you grow so that your future will be a success no matter what you endeavor.

From the entire staff and myself, we wish you the best of luck.

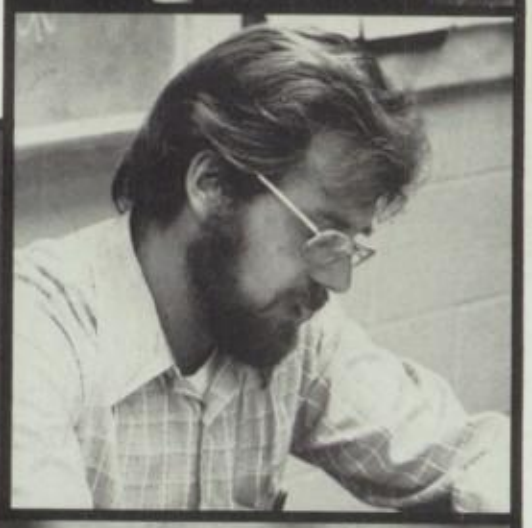
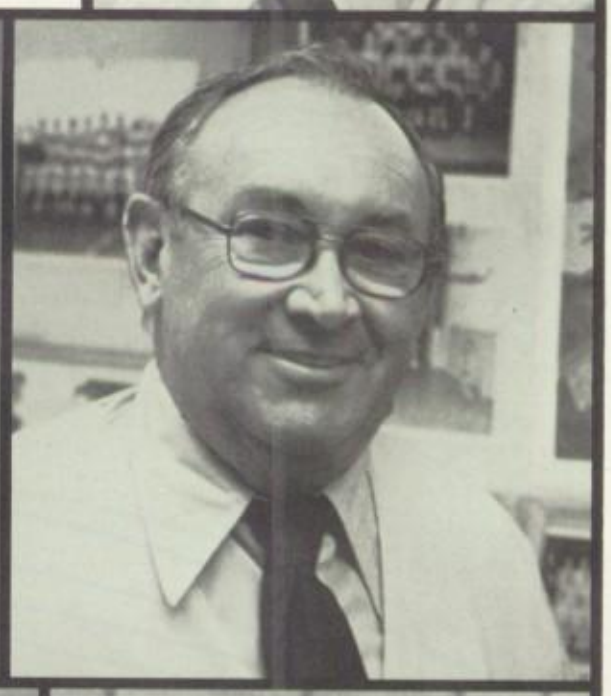
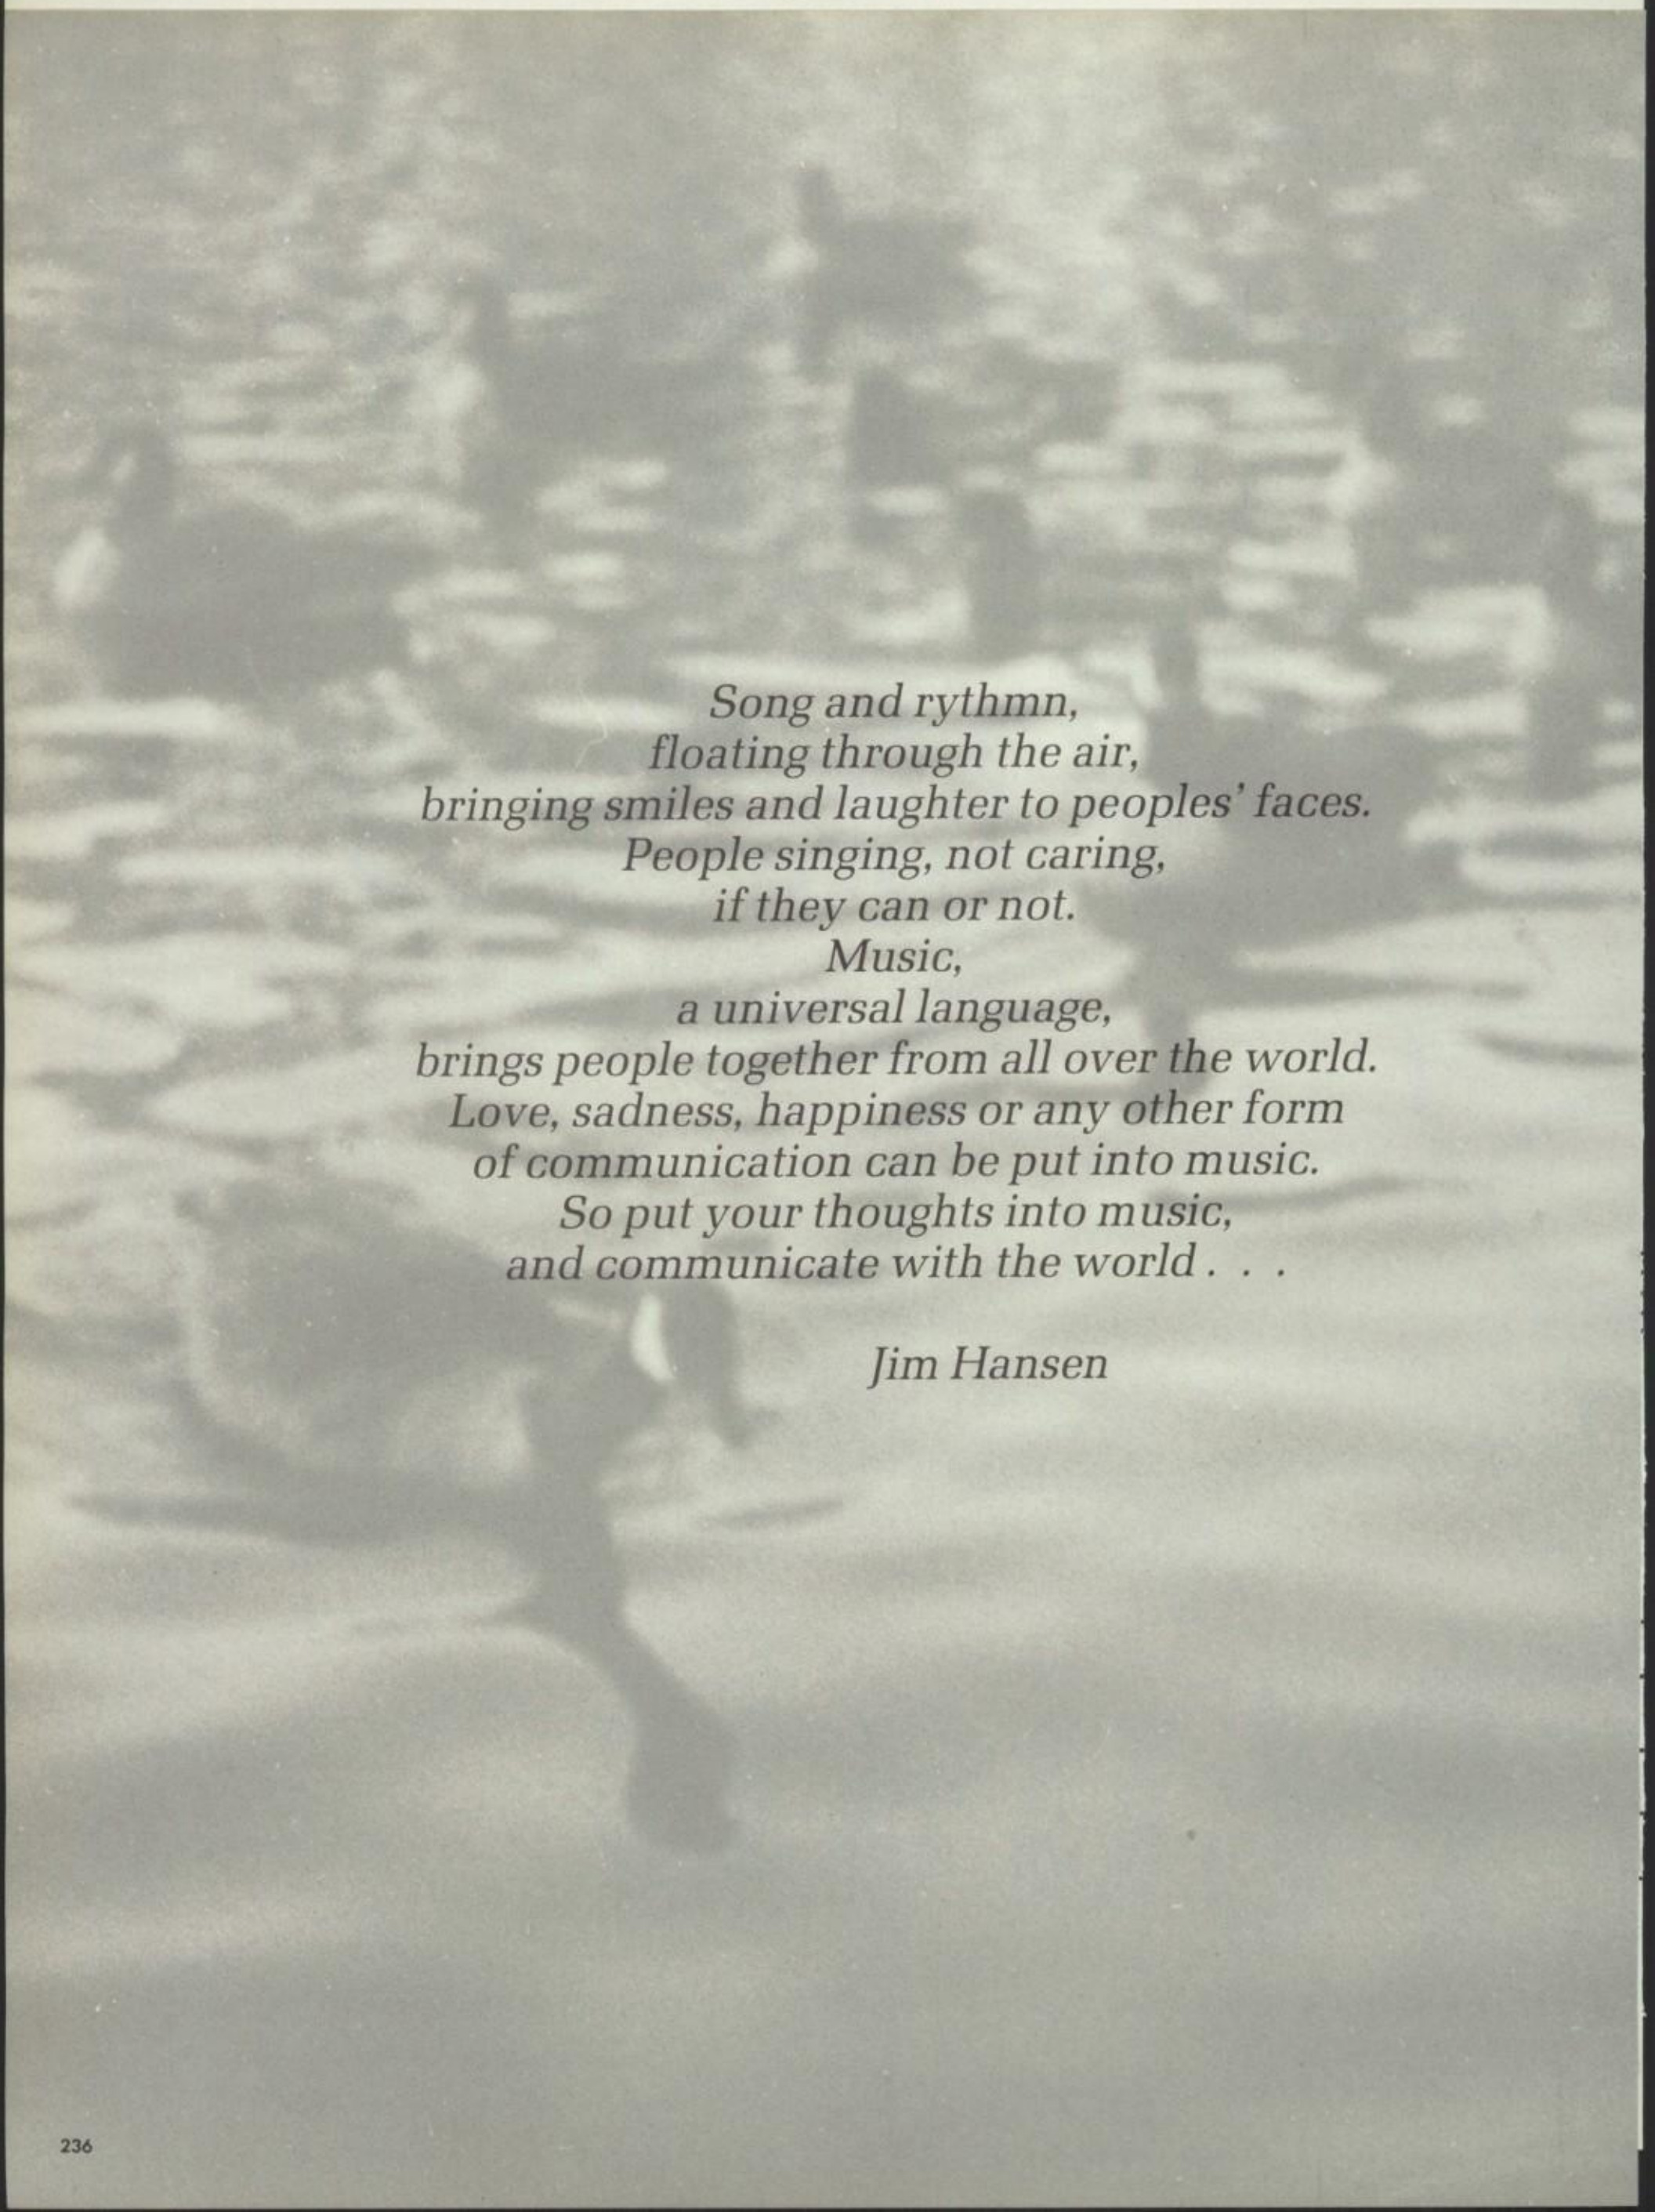
They have dreams for us . . . they have tried to teach us that the unexamined life is not worth living . . .



. . . they have tried to teach us that the complacent uncommitted life is a hollow, lonely life . . .
. . . And now we have dreams for Ourselves.





Song and rythmn,
floating through the air,
bringing smiles and laughter to peoples' faces.
People singing, not caring,
if they can or not.
Music,
a universal language,
brings people together from all over the world.
Love, sadness, happiness or any other form
of communication can be put into music.
So put your thoughts into music,
and communicate with the world . . .

Yeah, I'm a Senior, so what about it? So there's only two weeks left of school, and then I'm out in the big world. Can't wait until graduation night . . . it's gonna be great. I'll cruise up front; snatch that diploma, say "thanks, buddy," and run. Suppose I don't know where I'm running to, though. Before, all I did was follow the rest of the crowd. I knew I could always find someone at a game, a party, the Trot, or hanging out in the Parking Lot. But now it's going to be different. We're going to take off and try to make it on our own. Oh, geez . . . Yea, it's time to make the scene in class . . . guess I might even miss that when it's over. Check ya later, buddy!

Thanks, see ya, bye.

Acknowledgements

Creativity, cooperation, and hard work — all three are needed to produce a yearbook. Our staff has all three qualities mentioned above and the extra-added qualities of spirit and friendship. Thanks seem so small, but there are a few people I'd like to thank in a very big way.

Mom, thanks for listening when problems came up. Without your shoulder to cry on I don't know what I would have done.

Daddy, without your approval I could never have done any of this. Thank you.

Mike and Lori, you took over a lot of my responsibilities at home. If you hadn't, it would have been even more difficult for me. Thank-you both.

Mr. Matulia — any other advisor would have thrown in the towel by now. I really don't know how you do it! Thanks for understanding me and my "erstwhile" staff. I know how hard that has been sometimes.

Stig, who else would play tennis with me?

Donna, never forget the deadlines and all the "fun" in the office. Without your organization I never would have made it.

Lou, Boy's Sports never could have made it without you. No one else cared enough to make a real effort. Thanks for being a great editor.

Joe, your job is often tedious and boring, yet you did it well. Thanks for doing lots more than your share, and for staying late during the deadlines.

Cindy and Ro and Val — The Senior portraits are the most important part of our book and the biggest job. It requires a great amount of time and organization — thank you for both. Cin, "If you do not understand your friend under all conditions, you will never understand her."

Kathy and Terry — Your smiles and laughter really helped us all, as did your efficiency. Thank you both for all you did.

Lynda, Carol and Anita — The Girl's Sports section is beautiful. What more can I say?

Dom and George — Boys' Sports is an important part of the book. Dom, you learn fast.

Cel, Ann and Linda — Thanks for the last minute work. Typing is so important to a yearbook. If any three people know that it's you. Cel and Ann, if it wasn't for you, there wouldn't be a Senior Index.

Bill, the Faculty Section is something to be proud of. You did your job without a complaint and you did it well. Thank you.

Karen and Diane — I'm glad you could understand the limitations we have to work within. You did your best with what you had to work with. Karen — thanks for your patience.

Mike Scalice and Mike Cerreta — without your artistic talents and your sense of humor, the book would be missing that special quality you both have — spirit.

Perry and Bob — without pictures there wouldn't be a yearbook. Thanks for all the time you've put in outside of school. Perry, thanks for the hours you spent at the beach. The pictures speak for themselves.

I owe many thanks to Mike Cerreta and Mike Scalice and John Rivera for the captions in the book. If it weren't for you, there wouldn't be any, because I certainly don't have the ability to do the job you did. Thank you.

Jim — thanks for bringing me, and all my *Blazer* work to school every morning. I never could have walked it.

John and JoAnn — Never forget the "Young Americans."

Mr. Hood — Without you and your business staff, my editorial staff would be non-existent. You put a lot into this book. Thank you.

Penny — Taking care of the ads and sales is a big job, and an important one. Thank you for all your help.

Lori — without your help, Mr. Matulia would have much less time to devote to the book. Thank you.

Mr. Lavan — I know you doubted me at first, but I hope I made a believer out of you.

Lora — I'm so glad you came back to "N.B." Thanks for all the work on the faculty section as well as for all the help you gave Lou.

I owe a great many thanks to the faculty and staff for their cooperation and willingness to help whenever we needed it. I would especially like to thank my teachers — Ms. Leonardo, Ms. Klass, Mr. Szakmary, Ms. Bulcavage, Mr. Grouver, Ms. Zeranti, and Ms. Morisie, for understanding when I wasn't able to attend class because of yearbook as well as Senior Class work. Without your kindness I couldn't have done it.

My special thanks goes to Mrs. Marian, she was always there when I needed her! I would like to thank Mr. Camarda for all the confidence and support.

I would also like to thank all those not mentioned who helped make the BLAZER a success.
